SECRET, 25X1 .. 2 ... 25X1 Comment. The units which left the Seeckt Kaserne, Nachrichten 25X1 Kaserne and Herrenkrug-Anger Kaserne at the end of February and in early March for short-term practices are believed to have returned by 10 March. The occupation 25X1 strength of the Flak Kaserne, which is believed to have been underestimated, does not indicate whother the units of the 3d Gds AAA Div which had been entrained at the same time, were back by 11 March. The column mentioned in paragraph 5 probably belongs to the 19th Gds Mecz Div which returned to the Merrenkrug-Anger Kaserne from field exercises. They were possibly elements of the division headquarters. 25X1
